Assistant Commissioner for
Buildings Management
Public Buildings Service
General Services Administration
Washington, D. C. 20405

Dear Carl:

I noted in the Evening Star a few days ago that you are about to make the great transition from active duty to active retirement.

Through the past several years you have been most cooperative and always understanding of any special problems we presented to you. We are grateful for all you and your GSA colleagues have accomplished on our behalf.

Best wishes for many years of pleasure and happiness.

Sincerely,

/s/ L. K. White
